

Exhibit A/B/C/D/E/F

Network Electro Devices Pvt Ltd Business Territory and Products

This is to regulate the business territory and Products of Network with effect from 1st APR 2013. This definition will remain effective until a revision is made.

A) Territories

Central Part of INDIA (Maharashtra/Gujarat/Pune)

B) TYPE of Business

India Local Customer only (In case Local customer is acquired by Overseas company, the customer shall be defined as Overseas company)

C) Product

ALL SEMI CONDUCTOR PRODUCTS

Revision of Territories

Revision of the territories may be made when Fuji and Distributor mutually agreed. In the event of revision, Fuji shall submit two original copies to NETWORK. The management of both companies will endorse this original copy. Both parties will keep an endorsed copy.

** We don't want any conflicts with other distributors. Should such issue arises, you will have to follow Fuji's decision.

Application of Fuji Electric Products

Products which Fuji supplies to NETWORK are not for

- a) Disturbing International/national peace and security
- b) Breaching foreign trade control laws when products exported.
